ABOUT US

Founded in the year 2014, GJ IMPEX is a significant importer, supplier, and manufacturer of weighing scale spare parts and imported scales. Situated at Surat, Gujarat, we have developed a strong presence with more than 1000 satisfied customers worldwide. Our dedicated workforce of over 75 skilled professionals consistently performs to exceed clients' expectations.

All the products are reputed for their reliability and quality. Under the dynamic stewardship our Managing Director, Mr. Nikunj Golaviya & Mr. Jignesh Golaviya, B.E. (Instrumentation & Control), we ventured into a variety of high-grade and medium-grade load cells of varied designs, capacities, and sizes. Our products play a crucial role in electronic weighing scales, force measuring instruments, industrial automation, and stress analysis.

At GJ IMPEX, we are proud of having highly effective packaging standards and an efficient distribution network, ensuring meeting the needs of clients from across the globe. Be your requirements small or large, GJ IMPEX is committed to deliver the best quality and services in fulfilling your needs.
